

REMARKS

The foregoing amendments to the specification of the above-identified application make it a continuation-in-part of a prior-filed application entitled "System And Method For Communicating Audio Data Signals Via An Audio Communications Medium" which was assigned Serial Number 10/462,243 and filed June 16, 2003. In addition, the Description of the Drawings has been amended to correct the omission of the descriptions of Figs. 3 and 5 and to properly number the figures.

In summary, it is respectfully requested that the foregoing amendments be entered and that the application be allowed at the earliest possible date.
